

Introduction

'HIKMAH' in Arabic means "Wisdom". Keeping in mind the multitude of meaning the word carries a cluster of like minded, well meaning and responsible citizens with an urge and desire to bring about a positive social change formed a society in 1990 by the name of ALHIKMAH FOUNDATION. The Foundation was registered in the year 1997 under Societies Registration Act XXI of 1860. It is a Non-Political, Non Governmental Organization. In this short of span of time ALHIKMAH has become a mass movement involving concerned citizens from all walks of life. It strives to serve the humanity irrespective of caste, creed, colour, race, religion or race. Its sphere of activities consists of collection and dissemination of useful information on socially relevant themes.

Objectives

The key objective of the Foundation is to reach out to the sick, the sufferer and the down-trodden, in order to make health and education a reality for our less fortunate fellow beings. The World Health Organization describes health as "a state of complete physical, mental and social well-being and not merely the absence of disease or infirmity". THE ALHIKMAH FOUNDATION is committed to this purpose. The Foundation's main concerns include: promotion of education, health, good values, sustainable socio-economic development and rehabilitation.
